

Home Study Course

Foundations of Traditional Chinese Medicine

Would you like to learn about Traditional Chinese Medicine?

Are you a student of Wu Tao wanting to deepen your understanding of the principles of TCM and integrate these into your dance practice?

Are you a health practitioner interested in exploring the principles and philosophy of Traditional Chinese Medicine?

This Course introduces you to the foundations of Traditional Chinese Medicine including:

- Taoist philosophy,
- The concept of Qi,
- Dynamics of Yin/Yang,
- The Five Element Theory.

You also learn about:

The Traditional Chinese Medicine concepts of Organ theory and their related functions, The Meridian Pathways and locations and you will be introduced to the basic diagnostic principles used in TCM.

Through a combination of lectures, practical application and experiential work, the course will guide you to an understanding of Oriental Medicine and will assist you to begin to integrate these principles into your daily life. If you are a student of Wu Tao, it will help you to deepen into your dance practice and bring you to a greater understanding of the energetic nature of the dances.

The course material consists of a course manual and a study guide. Start the course today and you will receive a free Wu Tao book and music CD valued at \$75.00.

On submission of the completed study guide you will receive a certificate of successful completion of the course. This can be accredited towards the Wu Tao Instructor training if you wish to become a teacher of Wu Tao.

The course cost is \$660 which includes GST.

To start, please go to www.wutaodance.com and follow the links to pay securely online or fill in the form attached and send in with your full payment. We will send your training material to you straight away.
